COVID-19 RESPONSE

Extra focus is being placed on COVID-19 cleaning and the consistent use of PPE. Staff members will follow stringent cleaning and sanitizing procedures, including extra hand washing and sanitizing pick-up window areas after each student receives their meal.

CAFETERIA ACCOUNT REQUIRED

The cafeterias are going cashless! Cashless service eliminates handling money and the associated germs, and it speeds up service by eliminating the need to exchange funds. Therefore, **all families need to create a cafeteria account on Titan Solutions.** Click [HERE](#) to create the account that will allow you to deposit money to your student's cafeteria account for food purchases, monitor purchases made on the account, and check the menu.
