

Local School Wellness Plan Report SY12

Atlanta Public Schools
School Nutrition Department

Atlanta Public Schools requires all 82 traditional schools to submit a Local School Wellness Plan annually. The Local School Wellness Plan details the implementation of health and wellness initiatives for the current school year in areas of Nutrition Education, Physical Activity & Education and Gardening Program (optional). It also identifies Local School Council Members and designates a faculty Wellness Coordinator.

The following reports were generated based on the **82** Local School Wellness Plan Reports submitted for this school year.
