Log on to <http://www.atlantapublicschoolsnutrition.us> and register your child. You will need your child's student ID number, which can be obtained from the main office at your child's school.

Your family may be eligible for free and reduced priced meals. Contact your school's FEA Coordinator for more information on how to apply for free and reduced priced meals or apply online at <http://www.atlantapublicschoolsnutrition.us>.
