

SCHOOL BREAKFAST PROGRAM

Austintown Schools Food Service Department

January 15, 2019

Dear Falcon Parents,

We wanted to remind you that breakfast is offered at all of our schools every morning. Breakfast is an important part of the day, and we understand that there is a lot involved in getting your students ready for school. Just know that our breakfast program is here to help make for a good start to everyone's day.

Each school has 20 to 30 minutes for students to come into the cafeteria, select the food items they desire, and enjoy a wholesome meal. The following breakfast times and prices are observed in our schools:

School	Breakfast Time	Price
Austintown Elementary School	8:00 – 8:30 AM	\$1.50/\$0.30 (reduced)
Austintown Intermediate School	8:00 – 8:30 AM	\$1.50/\$0.30 (reduced)
Austintown Middle School	7:10 – 7:30 AM	\$1.50/\$0.30 (reduced)
Austintown Fitch High School	7:00 – 7:30 AM	\$1.50/\$0.30 (reduced)

Free and reduced price meal benefit applications are accepted throughout the year. To apply, visit **LUNCHAPPLICATION.COM** or our website at **AFFOODSERVICES.COM**.

Feel free to reach out to the Food Service Department if you have any questions.

Thank you,

Alexis Weber, Food Service Director
