COGGINS C FARMES

Lake Park, GA

"Over 50 Years of Produce Experience"

Coggins Farms and Produce is one of the finest growers, packers and shippers of fresh produce in Georgia. Built on three generations of Coggins, every facet of the operations is managed by a member of the Coggins family. Coggins offers a variety of specialty packs and consistent quality.

With More than 50 years of produce experience, Marker 29 is the largest Fresh Market Carrot shipper outside of California and one of the premier vegetable operations in the southeastern United States.

Best known for growing the sweetest carrots in Georgia, Coggins Farms also grows and assortment of vegetables including yellow squash, zucchini, broccoli, eggplant, and sweet potatoes.

Located in Lake Park, Georgia, the entire family is in different types of farming from meats to produce. The Coggins Family has been in farming for several generations.
