

Classroom Parties

Classroom parties shall be held after lunch service and follow the guidelines that follow:

The Mississippi Healthy Students Act, Senate Bill 2369, states that schools shall develop a food safety program to include all food offered to students through sale or service. The Brookhaven School District has developed the following guidelines to help insure food safety.

Classroom Party Guidelines to Promote Health, Wellness and Safety

- All faculty and students have access to proper hand washing facilities before eating.
- Parents are encouraged to purchase items for parties instead of baking from scratch. Purchase from reputable vendors with current food service permits posted.
- Food items served to children will be in single ready-to-serve packaging when practical and possible.
- Parents and teachers are encouraged to provide fresh fruit and whole grain snacks when practical and possible.
- When providing food for classroom parties, please follow the following food safety rules:
 - a. Keep hot food hot. For food to remain safe, it should be held at 135° F or above.
 - b. Keep cold food cold. For food to remain safe, it should be held at 41° F or lower.
