

## Android Users

Go to your Google Play Store 

Type in the search bar of your Google Play Store “Web Menus”

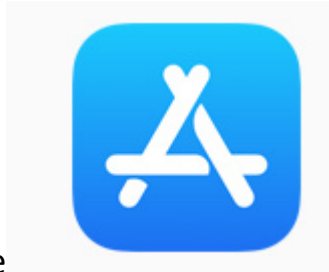

Scroll until you find this app

Then choose install on your phone or tablet.

After you download, you can search by school or school district to see what the menu is for your children’s school on a daily basis.

## Apple/iPhone Users

Go to your Apple Store

Type in the search bar of your Google Play Store “Web Menus”

Scroll until you find this app

Then choose install on your phone or tablet.

After you download, you can search by school or school district to see what the menu is for your children’s school on a daily basis.
