

It's Cool to Eat at School

Parents are invited to join their child for breakfast or lunch any day.

If you'd like to come for breakfast or lunch, here's what to do:

- Check with your student or call the school office to find out the meal schedule.
- When you arrive at the school, check in at the office to receive a visitor pass and ask for directions to the cafeteria.

Due to the fact that we receive State and Federal funds for student meals we are not able to use their account for guest meals.

Please bring cash or check for your meal purchases, the Food Service cashier in the cafeteria will gladly accept the payment.

The breakfast price for an adult or child guest is \$1.70. The lunch price for an adult or child guest is \$3.50.

Hope to see you soon!

Food Service Staff

Please feel free to contact the Food Service office at 763-689-6210 if you have any questions or concerns.
