Full Description: Frozen California Blend is prepared from a combination of broccoli, cauliflower and carrots that have been prepared from clean, sound, succulent vegetables by trimming, washing, sorting and properly draining. The product is blanched for enzyme inactivation, individually quick-frozen, and maintained at temperatures necessary for its preservation.

Quality Characteristics:

Style	Broccoli – stalks, florets Cauliflower – florets Carrots – smooth slices
Quality	Must meet USDA Grade A Quality Standards. Must also comply with the individual US Standards for Grades of Frozen Broccoli, Frozen Cauliflower and Frozen Carrots with modifications noted within these specifications.
Flavor and Odor	Flavor shall be normal with no off or objectionable flavors or odors noted.
Color	Must have a good color, which means that the combined basic vegetables as a mass and the individual basic vegetables are bright and characteristic of young or tender vegetables that have been properly prepared and properly processed.
Maturity	Possesses a reasonably good character. Units are reasonably full-fleshed, may lack some firmness, but are not soft or mushy.
Defects	Must be practically free from EVM, blemishes and seriously blemished pieces, mechanical damage, loose scale, undeveloped seeds, core and stem material, and trimming.

Physical Characteristics:

Seneca Foods Corporation produces our products to meet a target specification at the time of production. Due to the nature of our commodity products, there are factors such as product maturity, variety, moisture level, and the growing conditions of each particular field which may cause a deviation from the target specification as the product cycles through the shelf life.
