

## ***Changes in Food Service Account Information***

Dear Parents

Due to changes in Pennsylvania School Code, **D.T.S.D. Food Service** would like to inform you of a few procedure changes we are making when it comes to your student's meal account. Our cashiers will no longer provide account balance information unless your child asks for this information. We will continue with our long-standing policy and allow students to charge a complete meal of **their** choice regardless if funds are available. When a student's account balances reaches a negative of \$11.25 or greater a letter will be mailed home to inform the parent of this negative balance.

An easy way to stay up to date on your child's food service account is by using **MySchoolBucks®!** This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check.

You can also view recent purchases, check balances, and **set-up low balance alerts for FREE!**
