## Get to Know the New D.T.S.D. Food Service Department & the New Cocoa Café!

While the needs of today's students are rapidly shifting, our commitment to Serving Education Everyday will never change. We are continuing to raise the bar on student nutrition and find innovative ways to meet the needs of our students. We are very excited to introduce the New Cocoa Café which is the name our students selected in early June. We are also very excited to open the newly renovated cafeterias at the Elementary School for the 2016-2017 school year!

New name, new cafeterias and new menus! Yes, new is sure our theme for this coming school year. There are so many things to inform you of that we need you to check out our website conveniently located under the Services & Support tab of the Derry Township School District website at <http://www.hershey.k12.pa.us>. We have extensive information available on our home page and or under the what's new button at the bottom of our home page.

### The information below is just a small sampling:

- More menu variety! Our Fall menu cycle begins the middle of September. We will also introduce our new winter and spring menu cycles to provide more variety!
- New Sandwich Buddies! Fresh made daily sandwiches made with Jennie O all natural reduced sodium sandwich meats.
- New Parfait Pals lunch option. Students will be able to build their own Dannon vanilla yogurt and fruit parfaits and then select additional items for a complete balanced lunch!
- New variety of fresh made chef style salads.
- Increased variety of fresh fruits and vegetables.
- New and exciting hot vegetable blends.
- Increased variety of grains and specialty side dishes!
- New Flavor Lab stations will be added to each cafeteria. Students can add a bit more seasonings to their food and customize it just like they want from over 6 different sodium free seasonings.

**We'd like to have a word with you about the meals we serve.
