

Sunny Thai Pasta w/Chicken and Edamame

September Sample Events at ECC and Elementary

We are looking forward to our first sample days on September 26, at the ECC and September 27, at the Elementary School. We will transport our students taste buds to Thailand as they have the opportunity to try our new Sunny Thai Pasta w/ Chicken served with a small side of edamame. Our sampling events are held in each of the cafeterias to promote possible new menu items in addition to expanding our students tastes for new food items.

To help parents with children with food sensitivities or food allergies please see below for ingredient information. We encourage parents to contact the Food Service Office if they need additional information.

Sunny Thai Pasta w/Chicken Ingredients:

Whole grain rotini pasta

White Cheese Sauce

Sweet Chili Sauce

Sunflower seed spread

Honey

Chicken
