Payment Options

We offer an online option for monitoring your child's lunch account as well as adding money to their account. There is no charge to monitor your child's purchases or to get low balance notifications. There is a \$1.95 per transaction fee to add money to their account using the online payment option. The website is www.myschoolbucks.com

You will need your child's student ID number to register.

Charge Policy

We make every effort to notify parents when their child's meal account is low through automated phone calls, notes and slips home and emails, but we understand that there may come a time when you may forget to send money.

Therefore, we will allow paid and reduced students to charge their lunch up to 2 times (there are no charges for breakfast). After the 2nd charge with no payment received the student will be offered an alternate meal which consists of a cheese sandwich and milk. All negative balances must be paid in full prior to the end of the school year. Starting the second week of April each school year, no meal charges are allowed for the remainder of the school year.

Free and Reduced Price Meals

Free and Reduced Price Meals are available to families that qualify based on household income and size. If you believe your family may qualify you can submit a Free and Reduced Price Meals application.

APPLICATIONS MAY NOT BE SUBMITTED PRIOR TO JULY 1ST FOR THE NEXT SCHOOL YEAR

We offer an easy and convenient way for parents and guardians to submit applications online. Simply visit www.heartlandapps.com to complete the secure application online. A new application **MUST** be submitted each year to continue to receive these benefits.

If your family chooses to complete a paper application the forms are available on the district's website or can be obtained and returned (completed) to any school cafeteria. You will be notified of your child's status by a letter sent home with your child.

Until notification you must provide your child with breakfast/lunch or money to purchase a meal at full price.

You may submit an application anytime during the school year should your family situation change.
