Free and Reduced-Price Meals Community Eligibility Provision (CEP) for Emanuel County Schools

Emanuel County will continue its policy to operate the Community Eligibility Provision (CEP) Program under the National School Lunch Program and School Breakfast Program for the 2019-20 school year. All Emanuel County schools qualify to operate CEP and will serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.
