① A school participating in Provision 2 must serve National School Lunch Program (NSLP) and/or School Breakfast Program (SBP) meals to all participating children at no charge* for up to 4 consecutive years.

② During the first year, known as the base year, there is no change in traditional procedures. The school distributes free and reduced price meal applications and makes eligibility determinations for participating children.

③ Meals must be counted and claimed by type at the point of service (Federal reimbursement based on these counts), however, regardless of the children's free, reduced or paid eligibility, all children are served meals at no charge.*

④ During years 2, 3 and 4 of the cycle, the school makes no new eligibility determinations and continues to serve all children meals at no charge.*

*One breakfast and one lunch per student per day. Additional meals, milk, juice, and bottled water will be charged as à la carte at full student price.
