

FCS

MORE GREAT NEWS!!

THE WAIVER HAS BEEN EXTENDED TO JUNE 30, 2021

USDA has allowed a waiver for schools to change from the School Meals Program to a summer program, due to COVID19 challenges.

What does that mean for families? We can now offer free meals to ALL students—even high school students (we have free meals K-8)

FCS will begin this program for high school students on October 1, 2020

How does that date affect high school students?

- Meal applications are required to **waive any fees**-families **MUST** qualify with FREE status (not reduced), regardless of this USDA waiver
- There will still be a **charge** for all snacks and beverages

Questions and concerns may be directed to the Child Nutrition office: **937-879-8176 OR**
