

September 3, 2020

Dear Families,

After the announcement on Monday (8/31/20) from USDA extending the Summer Food Service Program I wanted to inform all student families that effective September 1, 2020 school meals will be available to anyone 18 years and younger at no cost. The extension will go thru the end of the calendar year December 31, 2020. Any previously charged September meals will be credited back by the end of the week.

Geneseo Food Service will continue to provide meals for students. All children under the age of 18 may continue to receive free "grab and go" meals at one of six locations across the district. This will also include any on site students (such as SAFE). Meals will continue to be distributed daily at the below listed locations and times.

Both breakfast and lunches will be distributed daily:

- GHS - South Drive by concert hall - stop at clear door (7:30 – 8:30am)
- Brunch House Restaurant next to Willow Haven court (7:00 – 7:15am)
- Country Store off Wolf Road (7:30 – 7:45am)
- Millikin - Front drive pick-up at the Co-Lab doors (7:30 – 8:30am)
- Level Acres (Church lot 7:00 – 7:15 am)
- Atkinson Park (7:35 – 7:50am)

We would like to ask that you still **please Pre-Order meals** so we will be sure to have the proper amount at your designated pick-up location without over producing.

There will be a Pre-Order sign up on the Food Service webpage where you can sign up for what days you would like to participate (<https://forms.gle/pC98nkwe95iJN1RF6> ). Meals will be delivered to the above listed locations daily.

- If you plan to pick up meals the same days each week you can place your order once.
- If pick-ups will vary week to week you may register each weekend for the following weeks meals.

Sign up deadline will be 8:00 am on Monday mornings for Tuesday – Friday of that week & the following Monday.

A menu will be posted on the Food Service website as well. We will follow the existing menus through the rest of September with possible slight modification due to the meal pattern change.

**NOTE:**

If you have a student that currently has a food allergy and they plan to participate in the meal distribution, please call the Food Service Office at 309-945-0414 and let us know your child's name and what site they will pick up at so we can be sure to have an appropriate meal available.
