

All School Meals are FREE for the remainder of the 2020-21 school year!

MEAL PROGRAM UPDATE:

November 20, 2020

Starting Monday November 30th the Geneseo Food Service will be moving to a multiple meal pack with 2 pick-up days per week.

- On Monday 2 breakfasts & 2 lunches
- On Wednesday 3 breakfast & 3 lunches.

We will also be adding some late afternoon pick-up times at the in town locations and modifying the time of the distribution sites. Meal pick-ups are available for any child in the community between 1-18 years old and include breakfast and lunch.

While we are 100% remote all students are eligible to pick up meals each distribution day, however, we ask that you still pre-order meals to ensure we have the proper amount to be picked up at your designated location. Through December 2nd (or while we are 100% remote) **All** students signed up will have meals for both pick-up days. Upon return to in-person learning those on the A/B schedule will switch to the Wednesday pick-up to accommodate the 3 days they are remote learning.

Pick-up Days are on Monday & Wednesday only. Changes and additions to the distribution times are in **red** below. We will keep the same 6 pick-up locations.

- GHS - South Drive by concert hall - stop at clear door (7:30–8:30am & **3:00–4:30pm**)
Watch for bus traffic at the exit location in the morning.
- Level Acres (Church lot 7:00 – **7:25 am**)
- Brunch House Restaurant next to Willow Haven court (**7:30 – 7:45am**)
- Country Store off Wolf Road (**7:00 – 7:30am**)
- Millikin - Front drive pick-up at the Co-Lab doors (7:30 – 8:30am & **3:00–4:30pm**)
Watch for bus traffic at this location.
- Atkinson Park (12:05pm – 12:20pm)

The new Pre-Order sign-up can be found [here](#) or on the menu section of the [Food Service webpage](#). Meals will be delivered to the above listed locations on Mondays & Wednesdays.

- If you plan to pick up meals for the week regularly you only need to sign up once.
- If pick-ups will vary week to week you may register each week for the following weeks pick-up days.

Sign up deadline will be 2:00 pm on Thursday afternoons for the following weeks pick-up days. Menus will be posted on the Food Service website.

Miss your morning pick-up time? Forget to sign up? Meal Packs will be available for pickup between 3-4:30 at the GHS & Millikin sites on a first come first serve basis.

 **Inclement weather** – Should there be bad weather on a distribution day (Mon or Wed) and the Superintendent calls for a remote learning day the morning delivery routes will be canceled. All meals will be available to pick up at the two afternoon times at GHS & Millikin. Look for a school messenger if there are any changes to pick-up locations and times.
