Beezy: The Teacher

How'd the Zee Zees get so smart? Well, Beezy's got more than a little to do with that. She teaches every Zee Zee, every grade 1 through 24, everything under the suns. Yup, suns with an 's.' Take a seat in one of her classes and you're bound to learn something, but her favorite thing to teach isn't a subject or equation, it's this: never stop learning.

Flavorite Food: Honey Roasted Sunflower Kernels

Zacky: The Scientist

Zacky is somewhat of a science guy. And by that, we mean he's a lot of a science guy. He knows everything there is to know about Zee Zees (and there's a lot), and he's learning everything there is to know about Earth. Figure him into your equation if you're looking for feedback on your science fair project.

Flavorite Foods: Unsweetened Pear Applesauce, Diced Pears & Diced Pears with Cinnamon Snap

Help Franz reach the hospital by getting through the maze.

Franz: The Doctor

You know what they say, an apple a day keeps Franz away. Not that you'd want that though - Franz is a great doctor and an even better friend. Where there's a grumbling tummy, he's there. Where there's a craving for crunchy, he's there. Drop by his office in the space ship, a few minutes with Franz will leave you feeling better no matter how you were feeling when you walked in.

Favorite Food: Unsweetened Cherry Applesauce

Help Mezlo color in all the ingredients
for a delicious mixed fruit pie.

Mezlo: The Chef

Mezlo plays (arguably) one of the most important roles in all of Zee Zee-
dom: he's the chef. As you might have guessed, he comes up with, cooks
and wrangles up the Zee Zees for eating-time. He's the most out-of-this-
world chef on the planet. And not just because he's not from around here.

Flavorite Food: Mixed Fruit Applesauce, Diced Mixed Fruit
& Diced Mixed Fruit with Citrus Splash

Fuzz wants you to help him keep kids safe.
Create your own badge by coloring it in, then cut it out.

Fuzz: The Police Officer

Fuzz is the closest the Zee Zees have to a police officer. Did everyone get their daily value of vitamin C? Did everyone get the minimum 8 hours of sleep? These are the types of things Fuzz keeps her eyes on. Lucky for her, the Zee Zees are so darn well-behaved, Fuzz can spend all that time she would have been fighting her all-too-frequent crazy hair days instead.

Favorite Food: Blueberry Blast Applesauce
