## *2016 - 2017*

# CATERING REQUEST PROCEDURES

Klein ISD Campus Catering is here to serve both the students and our staff. The catering guide contains helpful ideas and descriptions of the various services and products we offer. However, it is not all inclusive. Please inquire about item not listed in the book.

We are here to serve YOU!

- An online request catering form MUST be completed from a district computer
- The online request form can be found on the Klnet under "Work Orders"

<http://knet/default.aspx?name=wo.food>

The screenshot shows the Klnet website interface. At the top, there is a navigation bar with links for Directories, Work Orders, Policies & Procedures, Departments, Forms, and Handbooks. The 'Work Orders' menu is expanded, showing options like 'Air and/or Lighting Request', 'Nutrition and Food Service Catering', 'Maintenance', 'Technology', and 'Telephone'. The 'Nutrition and Food Service Catering' option is selected, leading to a 'Request' form. The form includes fields for Contact, Phone, Account, Department, Email, Event, Date of Event, Student Event (Yes/No), Campus, Room, No Attend, Set Up Time, and Pickup Time. A large text area at the bottom is for item selection and special requests. The website logo 'knet KEEPING YOU connected' is visible in the top left, and a search bar is in the top right.

- Complete the form and include detailed instructions in the expandable text box and click "submit" at the bottom of the page. You will receive an email confirmation.
- Orders must be placed 2 weeks in advance
- Minimum orders of \$25 for delivery and \$75 for weekend events
- An invoice for billing will be sent to the campus or location as indicated on the form after the event if there is not a budget code to charge the event to.
- Cash and check are the preferred method of payment
