

Birthday Celebrations

Birthday treats are always fun for your child to share with classmates. You may choose to purchase birthday tickets for your child's class. This will allow you or your child to pre-select a special treat from our "birthday choices" to be enjoyed at lunch!

75¢ Birthday Tickets allows your child to choose 1 of the following 3 treats for their classmates:

1. Ice Cream Birthday Cup
2. Ice Cream Sandwich
3. Rice Krispie Treat

When you choose to purchase Birthday Tickets, Food Services will deduct the amount owed from your child's Skyward account or you can send in a separate payment. Your child's Skyward account must have a positive balance prior to handing out the TREATS otherwise you will not be able to purchase these treats. The Birthday Tickets and TREATS will be given out during lunch in the cafeteria only. Remaining or unused money will stay in your child's account to be used on future purchases. Please fill out the form below one week ahead of your child's birthday and have your student turn it into the Food Service Manager.

All orders will be checked for possible allergy issues in your child's class room.
