

IMPORTANT INFORMATION

ALL PARENTS OF LONG BEACH SCHOOL DISTRICT

All applications for free or reduced meals will now be submitted on-line through myschoolapps. There are **no** paper applications for the Long Beach School District and no paper applications can be accepted from another district. The on-line application can be accessed through the LBSD website, clicking on **Nutrition**. Follow all prompts and then submit your information. You will be notified by letter or e-mail of the results of your application.

If your child was still registered in this district at the close of the 2015-2016 school year, **for the first 30 days of school**, your child can eat according to the status at that time. **HOWEVER**, a new application must be received and processed in the office of School Nutrition by the cut-off date of **September 19, 2016**, or your child will be automatically dropped from the program and will revert to full pay meal status.

There are no exceptions. This is a federal program and no benefits can be given until the new application is processed. A new application must be filled out every year within the district where the child is a student. If you are moving from another district and applied at that district, you must re-apply in this district as none of this information is transferred. If you do not have access to the internet, you may call this office at 228-864-1337 and we will submit for you.

All meal accounts can be monitored at **myschoolbucks.com**. **All parents must create a user account for their children, so that they will be able to monitor the child's meal account. This is your resource to know when your child needs money in his account.** This can also be accessed on the district webpage under on-line meal accounts and if you have done this previously, it continues to be active and will follow your child.

REMEMBER PARENTS, YOUR CHILD MUST HAVE MONEY FOR MEALS WHEN THEY COME INTO THE CAFETERIA, UNLESS THEY HAVE BEEN APPROVED FOR FREE MEALS.

The school board maintains the "No Charge" policy. You will be called to bring money for your child if you intend for them to eat in the cafeteria. The price of paid lunch is \$2.75 and breakfast is \$1.50.
