## Virtual/Remote Learning 9/2020

### IMPORTANT INFORMATION!!!

Please read this flyer carefully. Students who are learning virtually for at least 5 consecutive days and are eligible for free or reduced price meals are eligible to receive a P-EBT benefit this fall. If you received a P-EBT benefit this past spring or summer, the new benefit will be automatically added to your card. It is not necessary to contact the school about this benefit. All eligible students will be submitted for benefits by the school division. Benefits will be issued between September 30 and October 15, 2020. If you have questions about P-EBT after this date or want more information, please visit the [DSS P-EBT webpage](#) to submit your question and receive a response.

As a reminder, the Virginia P-EBT Card will have food assistance benefits on it that can be used for food items anywhere SNAP benefits are accepted.

Participation in the program is voluntary. If you choose not to participate in the program, please dispose of the card by cutting through the magnetic stripe and discarding it in a secure manner. You will not be able to redeem the food benefits, nor can you transfer the card to someone else.

If you have questions, please visit the [DSS P-EBT webpage](#) to submit your question.

### Question 1

#### ***What happens next?***

Your existing PEBT or EBT card will be loaded with a benefit. If you lost or discarded your P-EBT card, call **1-866-281-2448**.

### Question 2

No. The money will carry over on the card from month to month. After one year, unused P-EBT benefits will be removed from the card.
