For clarification of Smartfood Delights as a Smart Snack product, see excerpt below from USDA SP 30-2014 v. 2 Q&A p. 8, Question 10 and attached results from the Smart Snack product calculator.

10. May popcorn qualify as a Smart Snack?

Popcorn is a whole grain and may be eligible as a smart snack, provided it meets all applicable standards. The ingredient label must list the first ingredient as popcorn to meet the general standard. There are many different types of popcorn available on the market, some with added fats and/or sugars, therefore, the nutrition facts panel or product specifications must be checked to determine if the product meets the nutrition standards.

All products are accurately labeled with the most current information however, since the ingredients are subject to change at any time, we recommend you check the label on the specific product for the most current and accurate information.
