## The Northwest Regional

# GREENetwork

(Great Environmental Educators Network)

Comprised of the Counties of Loudoun, Clarke, Warren, Fauquier, Frederick and Winchester City Schools

Mark Pankau, director  
[mpankau28@gmail.com](mailto:mpankau28@gmail.com)  
Loudoun County, Virginia  
Est. 2016

## Who we are

The GREENetwork began as a desire to provide students the opportunity to explore and learn about all things sustainable; gardening, nature, recycling, science.

We began to learn there were other schools who shared the vision, and the school clubs grew in interest and numbers. Today we number over 150 Educators, and growing, who are dedicated to enhancing the knowledge and experience of our students.

## GREENetwork Vision & Mission Statement

(Great Environmental Educators Network)  
July 30, 2015

### Vision Statement

The GREENetwork will promote environmental literacy and stewardship with the environmental school clubs.

### Mission Statement

The GREENetwork has as their Mission to:

- **Provide** pertinent and timely information to all of our school club Teachers, as it relates to all things sustainable.
- **Share** club information within the GREENetwork.
- **Incorporate** programs and initiatives from other environmental organizations, as it applies to each school club's vision and mission.
- **Enhance** the cooperation between school clubs and related outside groups.
- **Include** outdoor experiences and projects with club students to enhance wildlife habitats.
- **Nurture** environmental stewardship in students through learning activities in the areas of, but not limited to, sustainability, recycling, native plants, habitat protection and enhancement, water conservation and energy conservation.
- **Foster** a connection with nature through frequent outdoor learning activities.
- **Learn** about Loudoun County's natural resources.
- **Identify** environmental issues pertinent to the GREENetwork .
- **Nurture** environmental stewards in our school clubs.
