

**Meal Charge Practice
2019-2020**

As a participant in the Community Eligibility Provision (CEP), all enrolled students of Martinsville City Public Schools are eligible to receive daily: one reimbursable breakfast and one reimbursable lunch at no charge to the student/household.

All reimbursable meals will be served according to the terms of the National School Lunch program, National School Breakfast program, and Special Milk Program.

Due to the participation in CEP, all enrolled students are eligible for one reimbursable breakfast and one reimbursable lunch per day; therefore, it is the current practice of MCPS School Nutrition Services to not allow charges on student meal accounts. Ala carte are not eligible to be charged on account. All additional entrees, vegetables, fruits, beverages, and snacks can be purchased at the ala carte prices as listed on the ala carte price sheets posts at each register.

This written meal charge practice will be communicated to all students and households by posting on the MCPS School Nutrition Services website and will be included in the MCPS Student Expectations Handbook.

This written practice will be communicated to all division staff prior to the first day of school.

Revised 9/2019
