**There are many benefits for parents, students and our schools when choosing online only payments, including:**

- Provides a reliable and secure electronic payment
- Eliminates cash handling
- Reduces lost checks/cash
- Allows convenient payments anytime via the secure Campus Portal, using Visa, Mastercard, & Discover credit cards
- Provides a purchase history for each student
- No service charges are applied
- Allows families to set up recurring payments and low balance notifications

For added convenience parents/guardians can download the free Infinite Campus Parent app in the Google Play store and the iTunes App store.

Campus Parent

The app allows parents/guardians to add funds to their child/ren lunch accounts, as well as provides access to all Infinite Campus data (grades, assignments, lunch history, fees, etc). Please note, parent's guardians must have active, up-to-date Infinite Campus accounts.
