#### Wellness Committee

The Superintendent or designee shall permit parents/guardians, students, food service employees, physical education teachers, school health professionals, Board members, school administrators, and members of the public to participate in the development, implementation, and periodic review and update of the district's student wellness policy. (42 USC 1758b)

To fulfill this requirement, the Superintendent or designee may appoint a wellness committee or other district committee whose membership shall include representatives of these groups. He/she also may invite participation of other groups or individual, such as health educators, curriculum directors, counselors, before- and after-school program staff, health practitioners, and/or others interested in school health issues.

```
(cf. 1220 - Citizen Advisory Committees)
(cf. 9140 - Board Representative)
```

The wellness committee shall advise the district on health-related issues, activities, policies, and programs. At the discretion of the Superintendent or designee, the committee members may include the planning and implementation of activities to promote health within the school or community.

Nutrition Education and Physical Activity Goals

The Board shall adopt goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness. (42 USC 1758b)

```
(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
```

The district's nutrition education and physical education programs shall be based on research, consistent with the expectations established in the state's curriculum frameworks and content standards, and designed to build the skills and knowledge that all students need to maintain a healthy lifestyle.

```
(cf. 6011 - Academic Standards)
(cf. 6143 - Courses of Study)
```

Nutrition education shall be provided as part of the health education program in grades K-8 and, as appropriate, shall be integrated into other academic subjects in the regular educational program. Nutrition education also may be offered through before - and after-school programs, and other structured and unstructured activities.

```
(cf. 5148.2 - Before/After School Programs)
(cf. 6142.8 - Comprehensive Health Education)
```

Wellness Promotion and Marketing

The Board prohibits the marketing and advertising of non-nutritious foods and beverages through signage, vending machine fronts, logos, scoreboards, school supplies, advertisements in school publications, coupon or incentive programs, free give-aways, or other means.

```
(cf. 1325 - Advertising and Promotion)
```

All students shall be provided opportunities to be physically active on a regular basis. Opportunities for moderate to vigorous physical activity shall be provided through physical education, recess, school athletic programs, extracurricular programs, before- and after-school programs, programs encouraging students to walk or bicycle to and from school, in-class physical activity breaks, and other structured and unstructured activities.

```
(cf. 5142.2 - Safe Routes to School Program)
(cf. 6142.7 - Physical Education and Activity)
(cf. 6145 - Extracurricular and Cocurricular Activities)
(cf. 6145.2 - Athletic Competition)
```

The Board may enter into a joint use agreement to make district facilities or grounds available for recreational or sports activities outside the school day and/or to use community facilities to expand students' access to opportunity for physical activity.

```
(cf. 1330.1 - Joint Use Agreements)
```

The Superintendent or designee shall encourage staff to serve as positive role models for healthy eating and physical fitness. He/she shall promote work-site wellness and may provide opportunities for regular physical activity among employees. Professional development may include instructional strategies that assess health knowledge and skills and promote healthy behaviors.

```
(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)
```

Nutritional Guidelines for Foods Available at School

For all foods available on each campus during the school day, the district shall adopt nutritional guidelines which are consistent with 42 USC 1773 and 1779 and support the objectives of promoting student health and reducing childhood obesity. (42 USC 1758b)

The Board believes that foods and beverages available to students at district schools should support the health curriculum and promote optimal health, taking into consideration the needs of students with special dietary needs. Nutrition standards adopted by the district for all foods and beverages sold to students, including foods and beverages provided through the district's food service program, student stores, vending machines, fundraisers, or other venues, shall meet or exceed state and federal nutritional standards.

```
(cf. 3312 - Contracts)
```

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 3554 - Other Food Sales)

The Board shall adopt nutrition guidelines selected by the district for all foods available on each campus during the school day, with the objectives of promoting student health and reducing childhood obesity. (42 USC 1751 Note)

All foods sold during the school day shall adhere to the USDA Smart Snack regulations and California AB 626 in regards to calories, fat, sugar content, whole grain requirements, and sodium restrictions. The school day is defined as midnight to a half hour after school ends.

```
(cf. 5141.27 - Food Allergies/Special Dietary Needs)
```

(cf. 5148 - Child Care and Development)

(cf. 5148.3 - Preschool/Early Childhood Education)

In order to maximize the district's ability to provide nutritious meals and snacks, all district schools shall participate in available federal school nutrition programs, including the National School Lunch and School Breakfast Programs and after-school snack programs, to the extent possible. When approved by the California Department of Education, the district may sponsor a summer meal program.

```
(cf. 3552 - Summer Meal Program)
(cf. 3553 - Free and Reduced Price Meals)
```

The Superintendent or designee shall encourage school organizations to use healthy food items or non-food items for fundraising purposes. He/she also shall encourage school staff to avoid the use of non-nutritious foods as a reward for students' academic performance, accomplishments, or classroom behavior.

```
(cf. 1230 - School-Connected Organizations)
```

School Site Councils and school staff shall encourage parents/guardians or other volunteers to support the district's nutrition education program by considering nutritional quality when selecting any snacks which they may donate for occasional class parties. Class parties or celebrations shall be held after the lunch period when possible.

Program Implementation and Evaluation

The Superintendent shall designate one or more persons in the district, and at each site who is charged with the operational responsibility to ensure that each school site complies with this policy. (42 USC 1758b)

The Superintendent or designee shall provide an annual survey to district staff, students, and parents to evaluate and monitor the implementation of the wellness policy.

(cf. 0500 - Accountability) (cf. 3555 - Nutrition Program Compliance)

The Superintendent or designee shall inform and update the public, including parents/guardians, students, and others in the community, about the contents and implementation of this policy annually. He/she shall periodically measure and make available to the public an assessment of the extent to which district schools are in compliance with this policy, the extent to which this policy compares to model wellness policies available from the U. S. Department of Agriculture, and a description of the progress made in attaining the goals of the wellness policy. (42 USC 1758b)

To determine whether the policy is being effectively implemented district wide and at each district school, the following indicators shall be used:

- 1. Descriptions of the district's nutrition education resources, as well as physical education, and health education curricula by grade level
- 2. Number of minutes of physical education instruction offered at each grade span
- 3. Number and type of exemptions granted from physical education
- 4. Results of the state's physical fitness test
- 5. An analysis of the nutritional content of meals served based on a sample of menus and production records
- 6. Student participation rates in school meal programs, compared to percentage of students eligible for free and reduced-price meals
- 7. Extent to which foods sold on campus outside the nutrition services program such as through vending machines, student's stores, or fundraisers comply with nutrition standards
- 8. Feedback on district and school wellness activities from food service personnel, school administrators, the wellness committee, parents/guardians, students, teachers, before- and after-school program staff, and/or other appropriate persons
- 9. Any other indicators recommended by the Superintendent and approved by the Board

In addition, the assessment results shall be submitted to the Board for the purposes of evaluating policy and practice recognizing accomplishments, and making policy adjustments as needed to focus district resources and efforts on actions that are most likely to make a positive impact on student health and achievement.

Posting Requirements

Each school shall post the district's policies and regulations on nutrition and physical activity in

public view within all school cafeterias or in other central eating areas. (Education Code 49432)

Each school shall also post a summary of nutrition and physical activity laws and regulations prepared by the California Department of Education.
