School Wellness Champion

Are you Interested in School Wellness?

Morgan Hill Unified School District invites parents, teachers, students, school administrators, members of the community, and others who are interested to become involved with the school wellness policy. Having healthy choices at school helps keep our children healthy and ready to learn. The school wellness policy helps our school create an action plan for nutrition and physical activity at school. Please share your opinions and help make sure the policy is meeting the needs of our students. Morgan Hill Unified School District's wellness policy is available at: www.muhsd.org

You are welcome to email comments about the wellness policy or nutrition and physical activity to Michael Jochner, Director of Student Nutrition at jochnerm@mhusd.org.

Please also check the school calendar for the date of the next Wellness Committee meeting.
