This institution is an equal opportunity provider.

Student and staff safety is our #1 priority. We've made several changes to ensure eating with us as safe as possible: all food will be pre-wrapped, condiments and utensils provided by staff, social distancing will be maintained through the serving lines, touchless barcode scanners used, and cash and checks will not be accepted in the line—money must be loaded online at K12PaymentCenter.com or turned into cafeteria prior to meal service.
