The Ogden School District recognizes the importance of proper nutrition in support of our goal of providing a quality education to all students. Our policy allows students to overdraw lunch accounts by a maximum of \$4.35 (the equivalent of three lunches) in elementary schools. In secondary schools, the maximum that can be overdrawn is \$3.90 (the equivalent of two lunches). For students eligible for reduced lunch, the maximum overdraw is \$1.20 (the equivalent of three lunches). When the overdraw limit is reached, students will be provided with an alternate meal. During the last two weeks of school, no overdraw charges will be allowed. We appreciate parents understanding it is their responsibility to ensure their child has adequate funds to eat lunch.
