MINI FOOD SHOWS CONDUCTED AT 2 AREA HIGH SCHOOLS

Your student voice is heard! Asking for student input on what items go on their menus is a crucial step in determining menu development. Along with many requirements to follow with designing menus, student surveys of available products are an important step. Thank you to our principals, Mr. Gregory Frederick of US Grant HS, and Ms. Tami Sanders of OK Centennial HS for hosting mini Food Shows for their students to taste potential menu items for breakfast next year. Also, thank you to our food vendors!

YOU MAKE A DIFFERENCE!
