

**POWAY UNIFIED SCHOOL DISTRICT
Food and Nutrition Department
PAYMENT PLAN AGREEMENT FOR UNPAID MEALS**

Poway Unified School District understands that some parents/guardians are not able to pay the entire balance of their child(ren)'s unpaid meal debt at one time. The Food and Nutrition Department (F&ND) works with parents/guardians to develop a payment plan to help them eliminate this debt during the school year.

All of a student's unpaid meal debt – including those from the current year and previous years - must be paid in full before June 30.

If a parent/guardian deems it necessary, he/she may work with the Food and Nutrition Department to develop a payment plan for unpaid meal debt. Any payment plan developed jointly by the parent/guardian and the F&ND will include any previously accumulated negative balances accrued on a student's account, as well as unpaid meals owed for the current school year.

This payment plan is completely independent from the District's process for determining a student's eligibility for Free or Reduced Price Meals (F/RPM) through the National School Lunch Program (NSLP), and also independent from the District's process for evaluating other fee waivers. Parents entering a payment plan with the District must have already applied for F/RPM and found not to be eligible for free meal benefits.

The F&ND works diligently to be a responsible financial steward, and aims to limit the burden on the school budgets and classroom funds as much as possible. It is important for F&ND to make a significant effort to collect obligations that are owed to the District by its students and their families.

Please contact the Food and Nutrition Office at (858) 668-2570 with questions.
