

School Food and Nutrition Services Celebrates National School Lunch Week

National School Lunch Week (NSLW) is October 10-14, 2016. This week gives School Food and Nutrition Services an opportunity to showcase the quality of our nutritious meals.

This year's NSLW theme is "Show Your Spirit," and we are celebrating with a "Chant Challenge" contest! Each PWCS school has the chance to submit a video of their students doing a cheer/chant about their favorite school lunch, healthy eating, and/or fruits and vegetables. The video should be no more than 3 minutes in length.

Entries are due by 5:00 pm on October 12th and can be submitted in one of two ways:

1. Post on Twitter and tag @PWCSNutrition
OR
2. Have a staff member share the video with RONKSG@pwcs.edu via OneDrive.

One winner will be chosen from each school level (elementary, middle and high). The prize is \$500 towards a wellness-related school purchase of the schools' choosing! Ideas can include, but are not limited to, a rock climbing wall, school garden, playground equipment, bike rack, etc. Winners will be announced on the last day of National School Lunch Week, Friday, October 14th.

What else is happening during National School Lunch Week, you ask? Locally grown foods will be served, and we encourage parents or other family members to come join us for lunch. Stop by the cafeteria and see for yourself what delicious, healthy choices are available to students every day!
