Adding Students to Your Account (“My Household”)

Once you have created a parent account, click **My Household** on the left-side navigation bar to add students to your account. The following steps are required to add one or more students to your Household.

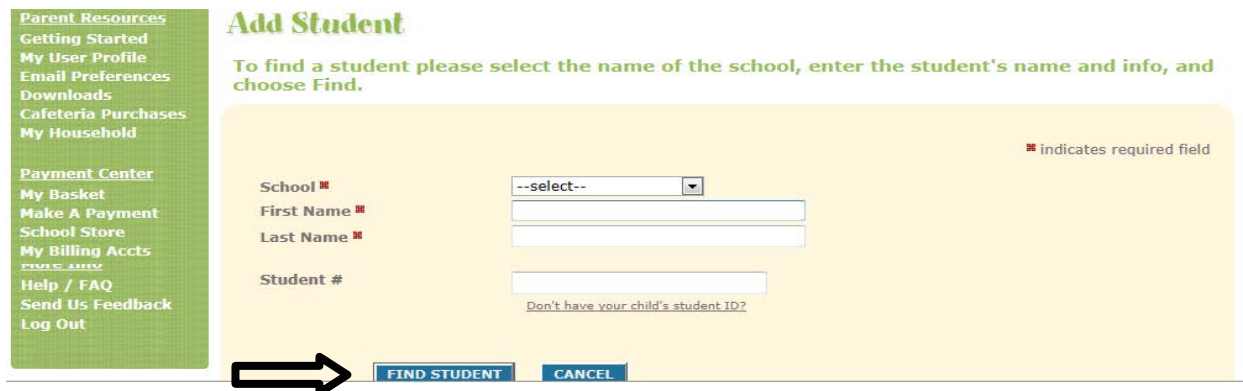

Step 1 – Student Lookup

The screenshot shows the mySchoolBucks website interface. At the top left is the mySchoolBucks logo. At the top right are links for 'ABOUT US' and 'CONTACT US'. Below the logo is a blue banner with 'My STUDENT MANAGER' and a pencil icon. On the left is a green navigation menu with categories: 'Parent Resources' (Getting Started, My User Profile, Email Preferences, Downloads, Cafeteria Purchases, My Household), 'Payment Center' (My Basket, Make A Payment, School Store, My Billing Accts, My Order History, My Payment History), and 'More Info' (Help / FAQ, Send Us Feedback, Log Out). The main content area is titled 'Getting Started' and contains three steps: Step 1: 'look up your students', Step 2: 'Make a payment', and Step 3: 'Visit our school store'. A black arrow points to the 'look up your students' link in Step 1. To the right, a 'My Household' section shows a table with one student: 'Allen, Ronnie Brewer, Johnny'.

To add one or more students to your Household, click **look up your students**.

Step 2 – Enter Student Information

The screenshot shows the 'Add Student' form on the mySchoolBucks website. The form is titled 'Add Student' and includes instructions: 'To find a student please select the name of the school, enter the student's name and info, and choose Find.' The form fields are: 'School' (a drop-down menu with '--select--'), 'First Name', 'Last Name', and 'Student #' (with a link 'Don't have your child's student ID?'). A red asterisk indicates required fields. At the bottom are 'FIND STUDENT' and 'CANCEL' buttons. A black arrow points to the 'FIND STUDENT' button.

Select your school district from the drop-down menu. Enter the student's first name, last name and Student ID Number. In some districts you may be asked to provide the student's date of birth. Once completed, click **Find Student**.

Step 3 – Add Student

A student's name and grade will be displayed when the search is complete. If this is the correct student, click **Add Student**. If the information is not correct, click *Cancel* and try your search again.

Step 4 – Finish or Add Another Student

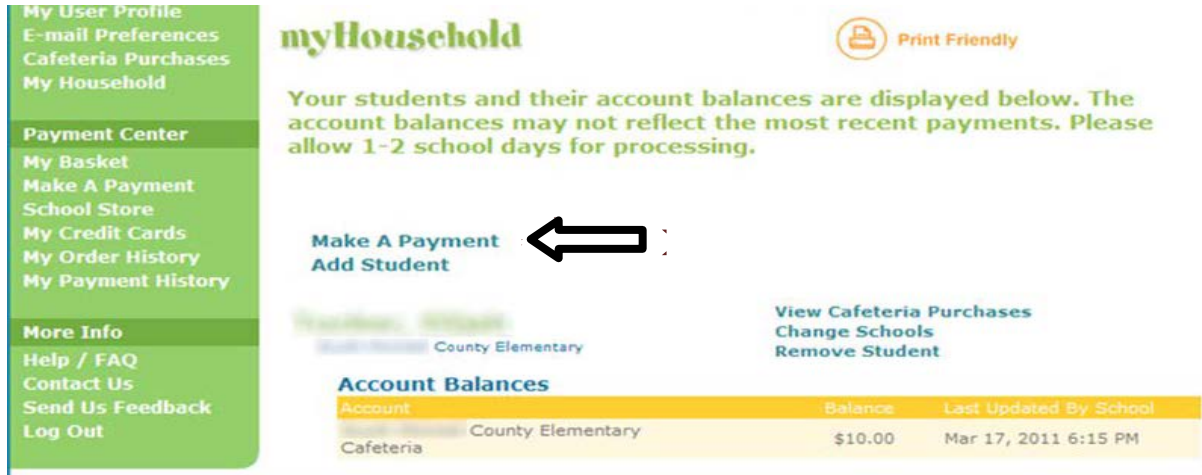

You have now successfully added a student to your Household. To associate more students with your account, click **Add Another Student** and complete **Steps 1-3** until all students have been added. If there are no other students to add, click **Finish**.

Deposit Money into a Student Account

Once you have added students to your Household, their names and schools will appear by clicking the **My Household** link on the left-hand side of the page. This page will also display the current balance available for each student. From this page you can deposit money into a Student Account, view purchase history and add or remove students.

The account balances may not reflect the most recent payments. Please allow 1-2 school days for processing.' Below this, there are links for 'Make A Payment' and 'Add Student' (with an arrow pointing to 'Make A Payment'), and 'View Cafeteria Purchases', 'Change Schools', and 'Remove Student'. A table titled 'Account Balances' shows one entry for 'County Elementary Cafeteria' with a balance of '\$10.00' and a last update of 'Mar 17, 2011 6:15 PM'.
