More Information

Per 1 Bottle (500 mL) serving

Caffeine: 0mg

Phosphorus: 125mg

Common Allergens: None

Notes

- Nutrition information is rounded as required by the FDA which is why values sometimes look inconsistent when comparing different sizes.
- Information may differ from package labels because of the limited space on packages or label transitions in the marketplace.
- All products and sizes are not available in all markets. If you can't find a product, check with your store manager to see if it could be ordered.

The person or group responsible for the point of sale to students on campus should verify a product's compliance and print their own Calculator results for documentation intended for compliance purposes. Results from this calculator have been determined by the USDA to be accurate in assessing product compliance with the Federal requirements for Smart Snacks in Schools provided the information is not misrepresented when entered into the Calculator.
