"Quality Work by Quality People"

To: All CEP Principals

Bulletin No. 17-030

From: Adriane Robles, Director
Nutrition Services

Date: July 28, 2017

Subject: **Community Eligibility Provision (CEP)**

The Community Eligibility Provision (CEP) allows local educational agencies (LEAs) in high-poverty areas to offer school breakfast and lunch through the National School Lunch and Breakfast Programs to all students at no cost.

- No meal applications
- Eliminates meal charges and alternate meals
- 50 school sites qualify in the San Bernardino City Unified School District

Elementary Schools: Alessandro, Anton, Barton, Bing Wong, Bradley, Brown, Cole, Cypress, Davidson, Del Rosa, Dominguez, Emmerton, Fairfax, Gomez, Henry, Highland Pacific, Holcomb, Hunt, Inghram, Jones, Lankershim, Lincoln, Lytle Creek, Marshall, Monterey, Mt. Vernon, Muscoy, Newmark, Norton, Oehl, Parkside, Riley, Rio Vista, Roberts, Roosevelt, Salinas, Urbita, Warm Springs and Wilson.

Middle Schools: Arrowview, Curtis, Del Vallejo, Golden Valley and King.

High Schools: Arroyo Valley, Indian Springs, Pacific, San Andreas, San Bernardino and Sierra.

Title I and LCFF still require the district to collect income information for households that are not directly certified at the 50 CEP school sites. This income survey will be provided to households as a hard copy and online in both English and Spanish. The results of the income survey will provide the district with data to determine the percentage of students that qualify for meal eligibility.

To expedite this process, parents have the option of completing the income survey online by logging on to <http://onlineincomesurvey.sbcusd.com> (SBCUSD Online Income Survey).

School sites may also put the online income survey link on their school webpage for easier accessibility to parents.

If you have any further questions, please contact Nutrition Services at 881-8000. Thank you for your assistance.
