SUMMING IT UP

The San Bernardino City Unified School District Student Wellness Policy Model Guidelines encourage schools to limit fundraising activities involving food and/or beverages. There are a large number of fun, creative and lucrative strategies to raise money in other ways. Fundraisers that involve physical activity can even be used to send positive messages to students, families, and the community about the importance of active lifestyles.

To encourage students to eat nutritious school breakfasts and lunches, the sale of food or beverages for fundraisers should not take place until after the end of the last breakfast and lunch periods.

Fundraising Ideas for Schools

FUNDRAISING IDEAS FOR SCHOOLS

Students' lifelong eating habits are greatly influenced by the types of foods and beverages available to them. When non-nutritious foods are sold "for a good cause," students may think that these foods are a healthful part of a balanced diet. Such misperceptions can contribute to development of poor eating habits. Schools encourage healthful eating habits by avoiding fundraisers that rely on the sale of non-nutritious foods such as candy and cookies.
