Are you Interested in School Wellness?

San Dieguito Union High School District invites parents and members of the community to meetings about the school wellness policy. Having healthy choices at school helps keep our children healthy and ready to learn. The school wellness policy helps our school create an action plan for nutrition and physical activity at school. Parents can share their opinions and help make sure the policy is meeting the needs of our students. The SDUHSD wellness policy is available at: www.sduhsd.net

If you are interested in participating in your school's Wellness Committee or attending an upcoming meeting, please contact your school for more information.
