**Processed USDA Foods Products and Commercial Equivalents**  
**for Super Co-Op Member Districts**

Email Address	Question No.	Question
bayotte@acosta.com	1	Please clarify once more, thank you: Can members receive direct Super Co-op deliveries from manufacturers?
		<i>A: Members can take direct shipments, but not directly from this RFP. Member districts must use approved USDA procurement methods to acquire delivered pricing for direct shipments from manufacturers using a competitive procurement method. Their base price should reflect the pricing offered by manufacturers as response to this RFP, it is the additional delivery cost that must be determined by district procurement methods, either by bid, contacting the vendor, or using an approved distributor. Manufacturers can certainly offer the same price for direct delivery to member district warehouse as to a distributor if they so desire.</i>
