On behalf of Central Coast Purchaser Co-Op Member Districts, Santa Cruz City Schools (SCCS) as Lead Agency, published our annual competitive Grocery Bid for the 2017-18 school year on April 14th, 2017. Responses were due from interested vendors on May 25, 2017. Three (3) responses were received by the closing time of 12:00PM. The bids were opened in public at our office, with two (2) Co-Op members in attendance. Public visitors had the option to attend and allowed to examine documents at the time of opening.

Responses were tabulated with recommendation that the Co-Op accept bids from all three (3) responding vendors based on individual line items. The awarded items are attached by Vendor and are also available at Santa Cruz City School, Food Service Department website at <http://www.surfcitycafes.com>

Please remember it is the *responsibility of each member district to contract with the awarded vendors for approved products*, in accordance with USDA procurement policy.
