

ENDOWMENT UPDATE

By Melony Edwards, Endowment Chair

NEW for 2019! – “Creating Exciting Grain Bowls” This year’s session will give attendees the opportunity to learn how to build exciting grain bowls for students. You will not want to miss the opportunity to create a food masterpiece! We will produce several different versions of grain bowls. Participants will get recipes and great ideas for making their own bowls. We will have a taste test of all the bowls prepared in class. Cooks and employees who focus on the production end of School Nutrition are encouraged to attend.

Our off site classes will be Wednesday, June 19, 2019. This year there will be two sessions. The first session will be from 10:00 am to 11:45 am and the second session will be from 1:00 pm to 2:45 pm. Please sign up early utilizing the pre-registration form below. Transportation to and from the Sheraton to UNCG will be provided. Remember to pick up your ticket for the session and other detailed information at the registration area during conference. There will be room for 24 people for each session. If space is still available, a sign-up sheet for the session will be at the registration table. Meet under the portico, Entry F at 9:45 am for the first class. The participants for the next class will be picked up at 12:45 pm. This session takes place in UNCG’s food lab. – **Please dress in appropriate kitchen work attire. Slip resistant shoes are required to participate.**

Don’t forget about this year’s Raffle! After the success of last year’s Raffle, the format for this year will be the same. Pricing for the raffle tickets is \$5 = 25 tickets, \$10 = 60 tickets, \$20 = 140 tickets. We will also have the spin wheel for ticket sales. We are always thrilled to see the items vendors and local chapters donate. Last summer we were able to raise more than \$3,000.00 and this year we hope to do even better. If you are a district or chapter president, please remember that now is the time to start asking for donations from local businesses and industry partners for this year’s Raffle! You may drop donated items off at the registration area or the Endowment Raffle room at conference.
