

Meal Service for Students with No Money / No lunch from Home Policy

School Year 2020-2021

Sharyland Child Nutrition Program provides a **Grace Period** for students who receive full priced and reduced priced meals but do not have money to pay. Our policy allows a student to charge up to four meals on their account in a grace period of two days. A courtesy meal consists of a fortified graham bear cookie, fruit and choice of milk for breakfast. During lunch service the courtesy meal consists of a hot grilled cheese sandwich, fruit and choice of milk. Parents are notified at minimum three times a week by letters to household, sky alert messages, and parent phone calls.

Parents may provide their own child with breakfast, lunch or snacks. Children may not share food from home with other students.

Courtesy Meals and Negative Charges

- Students with a zero dollar balance in their meal account will be allowed to charge **four (4)** hot meals (menued) to their account. After the four meals have been charged students are provided the option to receive a courtesy meal at no charge. Parents are allowed to set up a repayment schedule for charges accrued. Contact the CNP office for details.
- Negative balances are limited to a grace period of two days up to four (4) meals and must be cleared in a timely manner.
- No student will be allowed to charge a meal during the last two weeks of school. Students with a zero dollar balance or negative account balance will be offered a courtesy meal.
- Every effort is made to contact the parent concerning low account balances. Managers document all written and verbal communication with parents.

Payment

Money may be deposited into the student's account to purchase lunch, extra entrée, juice, milk and a la carte items as offered.

Free or Reduced Meals

Students enrolled in SISD on the last day of class (May 27, 2020) will be allowed to continue their 2019/2020 meal status (Free, Reduced Price, Full Pay) for the first 30 days of the 2020/2021 school year.

Students with Free/Reduced meal benefits must reapply each school year.

Free/Reduced Meal Applications are available at the campus, CNP office and on-line. Applications must be returned to the cafeteria manager or Child Nutrition Office. Applications will be reviewed and an eligibility determination is made within **10 work days of the receipt of the application.**

Failure to reapply means a student's meal status will change to full pay on September 30, 2020.

Households may update their application at any time during the school year. For example, if your household size increases, change in income, or your household receives SNAP, TANF or other benefits (such as unemployment benefits), your household may update their application.
