Dear Parent/Guardian of Sunman-Dearborn Community Schools,

The USDA has extended the nationwide waiver allowing all students, regardless of their socioeconomic status, free meals until the end of the 2020-2021 school year due to the ongoing COVID-19 pandemic. The USDA has the right to withdraw this approval subject to availability of funds. Any changes to the waiver extension will be communicated to all households. Students may receive 1 breakfast and 1 lunch each day at school for free. Ala Carte items such as second meals, extra entrees, milk and smart snacks will still be an additional charge. Students must have money on their account to purchase these items.

Please feel free to contact me with any questions or concerns.

Sincerely,

Cheryl Erhart  
Director of Food and Nutrition Services
