Food & Nutrition Services

Dear TTUSD Parents,

Each day Food & Nutrition Services offers fresh & healthy breakfast and lunch to all students. Meal prices and menu options are available at www.ttusdhealthymeals.org It is important to us that your student is offered fresh and healthy meals to support growing minds and bodies.

Your family may be eligible for FREE school meals (breakfast & lunch). Please fill out the online school meal application found at our website to determine if your family qualifies.

Please be aware that unless we receive this form below, your student will be charged meals if they come through the meal line and participate for breakfast or lunch. Please return the "No Charge" Form to the Food and Nutrition Services Department as soon as possible if you do NOT wish to have your child receive either breakfast and/or lunch. This form may be mailed or emailed directly to our department.

U.S Mail: Attention: Kat Soltanmorad, TTUSD Food and Nutrition Services 11603 Donner Pass Rd. Truckee CA 96161
