

# The TASTE of TriCreek

All Elementary Students Will Have the Opportunity To  
“Taste A New Food”

April 12th—Chickpeas

April 24th— Zucchini

The students who choose to participate will be given an “I Tried It” Sticker to vote for the food on a thumbs up or thumbs down poster. Foods that are liked by a majority will find their way onto the school menus.

*Did You Know? Don't give up! It takes 10 times or more of trying a new food before you know if you like it.*
