Chef Rio ...

The Amazing Cooking Cart

Twin Rivers Unified School District

Giving Teachers the Tools to Teach!

- Chef Rio was developed as a tool for teachers to integrate nutrition education into their curriculum

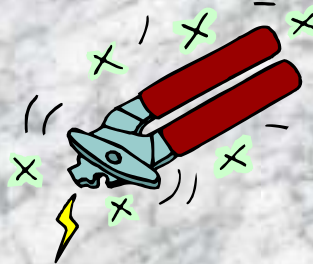

Chef Rjo
Offers you.....

..... Tactile Teaching

- Chef Rio contains plastic bins full of “hands on” cooking equipment for your students

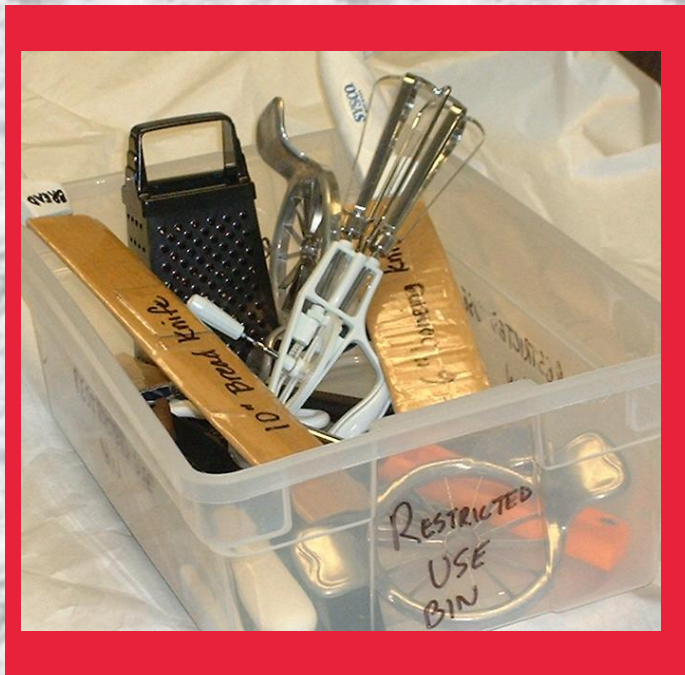

.....Flexibility

- Each bin contains enough equipment for students to work in groups or rotating stations

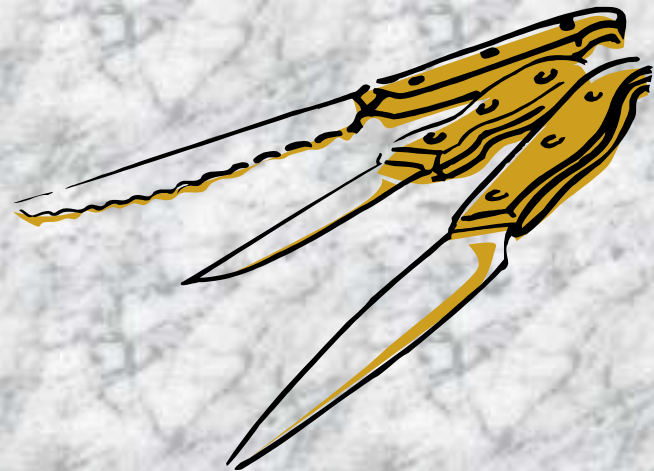

.....Safety

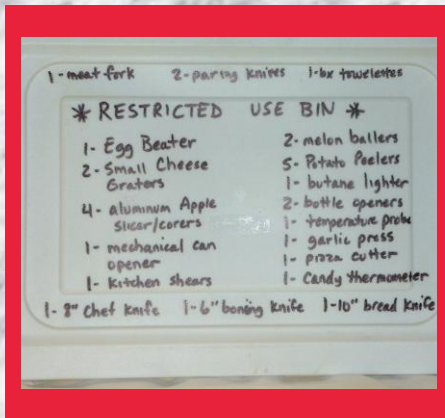

Restricted Use Bin

The “Restricted Use Bin” contains equipment that requires adult supervision

.....Accountability

Restricted Bin

Baking Bin

- An equipment list is written on each lid for easy inventory by students

All equipment that is damaged or missing must be replaced

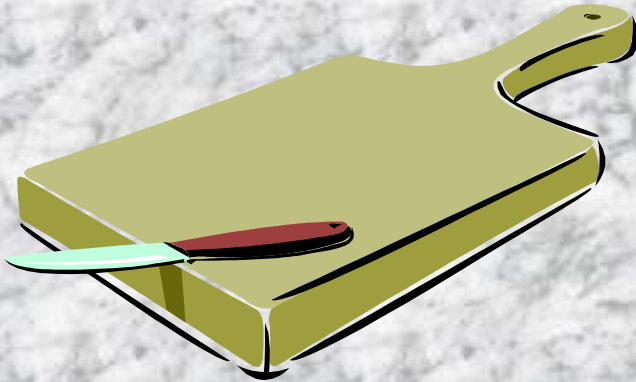

.....Quality

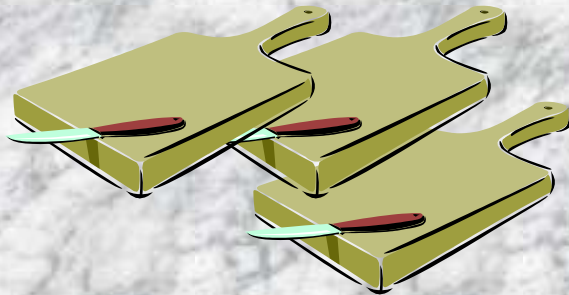

- Chef Rio contains equipment of commercial quality. Inside are Butane fueled burners, an electric griddle, blender, Crock pot and more!

.....The Right Stuff

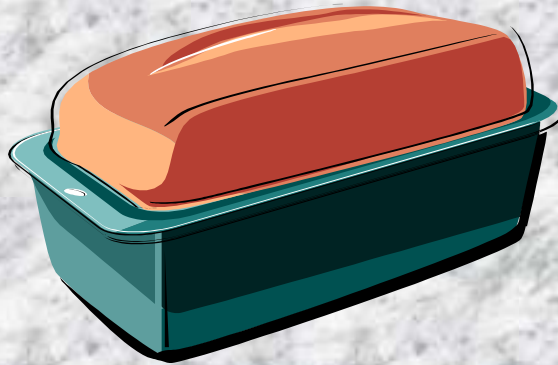

- A large cutting board is provided for an adult to demonstrate cutting techniques

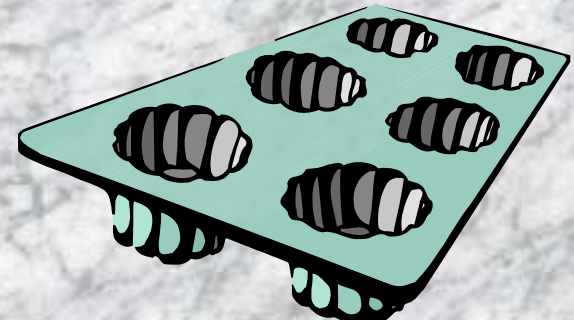

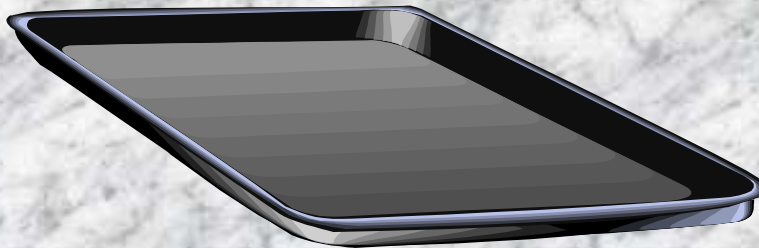

- The smaller cutting boards are for the students to practice what they have been taught

...More of the Right Stuff

- Baking Supplies for Bread, Muffins, biscuits and cookies are included

..... Sanitation

- Sanitizing tablets, a three sink washing system, dish soap, latex gloves and a temperature probe are provided at no cost

...and Sanitation Rules

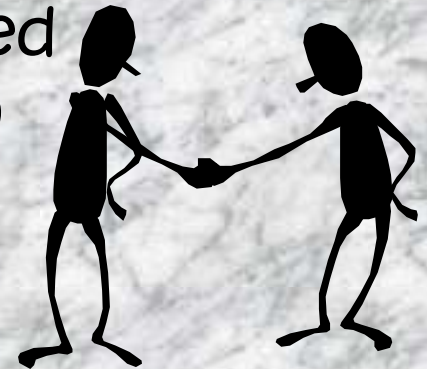

- Posted on the inside door are quick references to proper hand washing techniques and the CA Dept of Health procedure for dish washing

.....Convenience
