

Salad Bar Assemblies

Healthy Choice Bar offers students a wide array of colorful fresh fruits and vegetables.

Provide your students with the practical hands on lesson on the use of the salad bar offered with our school meals.

At this assembly students will learn sanitation, cleanliness and food safety practices for using the salad bar, learn about nutrition and practice using the salad bar with a sample of fresh fruit.

This 30 minute lesson gets your class started to a lifetime of enjoying fresh fruits and vegetables, teaches students about salad bar etiquette and making healthy choices.
