

To Our Parents:

Your child's teacher has notified Nutrition Services that a special event is planned for their class.

For the event, a sack lunch will be required. You may provide a lunch from home or you may request a sack lunch from the cafeteria. Lunches provided by the cafeteria will be free of cost, thanks to our CEP program.

Please notify your child's teacher by ____/____/____ if you would like your child to receive a sack lunch for this field trip. The teacher will place the order for you. Orders will not be accepted after this date.

Thank you for your help. Lunches, trips, and children go well together.

Please complete the form below and return it to school.
