# CLASSROOM PIZZA PARTY

In an effort to promote safe and healthy classroom celebration, Nutrition Services offers the option of a Pizza Party delivered to your classroom. These parties can be ordered by teachers, staff, principals or parents for any special student occasion.

Pizza Parties are free for students when served during school lunch period. There is a \$4.00 charge for each staff, parent, or sibling participating in the party. A Pizza Party Request form must be submitted to your school cafeteria at least two weeks in advance, complete with student count and adult names. We accept cash, check or budget code as payment for adult and other non-student meals. If a budget code is submitted, we must receive approval from Fiscal Services before the event.

**The person organizing the Pizza Party is responsible for the following:**

- **Scheduling the Pizza Party during Lunch hours**
- **Picking up the food from the school cafeteria**
- **Checking the student's name off the roster when the meal is served**
- **Returning the completed roster to the cafeteria staff directly after party.**
- **Ensuring that each student receives food from a minimum of the three food groups, including one-half cup of fruit and/or vegetable**

Due to federal regulations, students are not allowed to have seconds after a meal that is served as the school lunch.
